

## Out and About Challenge 4

It can be very difficult for wintering birds in the UK to find food when the ground is so hard. Why not have a go at making some bird feeders...

You will need:

Pine cones  
Bird seed  
Lard or peanut butter  
String

1. Tie string to the top of the pine cones.
2. Spread lard or peanut butter over the cone.
3. Roll the cone in bird seed.
4. Hang them onto a tree!

There are lots of different ways you can make a bird feeder. You could try one of these designs using recycled or natural materials if you prefer:

Let me know how you get on and email your photos to me at [rjohnson@queensgateprimary.co.uk](mailto:rjohnson@queensgateprimary.co.uk) to be in the chance to win a little Out and About prize! You could take part in the challenge on your own or as a family. Make sure you include your names and classes.
