

CONSENT FORM FOR THE USE OF IMAGES FOR YOUNG PERSONS UNDER 18

From time to time, we may want to take photos or video footage of your child to use either for training purposes or to help publicise the sorts of activities that children can get involved in.

In order to comply with the General Data Protection Regulations, we need your permission before we can photograph or make any recordings of your child. You have the right to withdraw your consent at any time and you can do this by contacting the admin office in school.

This form gives consent for the school to use pictures of the child named below for media and general publicity including (but not limited to) the school website, leaflets, posters, display materials, prospectus and reports. It also provides consent for external photographic companies to take annual portraits of your child. Consent is valid for the period of time your child attends Queensgate Foundation Primary School.
