## Foundation Stage Newsletter

Dear Parents and Carers,

We hope you all had a lovely Easter full of family fun, here are a few things to update you on in this uncertain time.

### Home Learning Packs

As we are unsure when schools will reopen we have created a home learning pack for this half term. We had planned to link the children's learning in school to an Under The Sea theme. Your child's pack will include activities to support this theme.

Remember if you need any support with your child's home learning please contact their teacher via email...

### Tapestry

Thank you so much to everyone who has kept in contact with us through Tapestry. It is wonderful to see how the children are getting on with their home learning. Please continue to keep us updated with your photos and videos. We will carry on uploading daily challenges for you to carry out with your child. Let us know how you are getting on with them.

### Bug Club

There are still many children who are not using Bug Club. This is such a shame as it is a fantastic online resource that is paid for by the school. Your child's log in details are on the inside of their yellow reading record.
