## Welcome Back – Ready for a Run?

Dear Parents and Carers,

I have thoroughly enjoyed welcoming the children back to school. They look smart and well rested. I hope they have all had a good start to the term and are settling well with their new teachers and classes. Please make sure that children are in school for 8.40am to start their learning - this is an extra 15 minutes a day of learning time over those that arrive at 8.55! I am very pleased to report that our new Reception children are settling in very well.

### **A Message from Mrs Mathews**

Happy new year Queensgate friends! I just wanted to say a huge thank you for all your kindness at my retirement. I was so moved by the many lovely and thoughtful messages, both in person and in beautiful cards and pictures. I was blown away by such generous gifts too. Thank you! I'm not sure this huge change has hit me yet but I'm looking forward to gaining my evenings and weekends back! I don't think many people realise how hard teachers work out of school these days. I have many friends in education all over the country but I don't know of another team as hardworking and caring as our Queensgate team. I feel privileged to have been a part of it. I look forward to seeing you all around and about, as I will still be a part of the Queensgate and East Cowes community. With love, gratitude and all best wishes for the future. Angie Mathews

### **End of Year Expectations**

Look out for Age Related Expectation Leaflets. It includes the Key Performance Indicators that we will be teaching to your child and what they are expected to know by the end of this academic year. Children progress best when home and school work closely together. Please use the leaflet to help support your children at home. If you would like any further information please see your child's class teacher.

### **Meet the Teacher**

Next Monday 9th September all year groups (apart from Year 2) will be having a "Meet the Teacher" session at 2.30pm. The children will be in assembly with me. As well as a chance to meet your child's new teacher, it is an opportunity to learn about what the children will be learning and how you can support their learning at home. If you have two children in the school the talk will be repeated at 2.45pm. If you have more than two children in school your child's teacher will be happy to meet with you to go over what was covered in the talk. Year 2 will have their Meet the Teacher session on Wednesday 11th September so that the whole team can be present. All other arrangements are as above.

### **Focus Learners**

Each week a child from each class gets the chance to be Focus Learner. They get given special jobs within school. It is also an opportunity for you to negotiate a time with your child's class teacher to come in and see a lesson and work with your child. On the Friday of the week that your child is Focus Learner you are welcome to come to assembly at 2.30 pm to hear your child talk to the school about their work.

**See Page 4 for key diary dates**

## Fun Run Saturday 28<sup>th</sup> September

On Saturday 28th September we are holding our annual fund raising run. There is the opportunity to run 10 miles through Osborne House and Barton Manor or if you prefer, there is a 5k route also going through Osborne House for the first time this year.

We would love to see as many of you running as possible. The 10 mile run is for over 16s only and if children are running the 5k run they must be accompanied by an adult the whole way. The 10 mile run costs £15 in advance and £20 on the day. The 5k run costs £8 in advance and £10 on the day.

Please have a look on our website under Fun Run for more details or check this link <https://www.fullonsport.com/event/queensgate-fun-run/profile> You can also have a look on Facebook by searching for Queensgate Fun Run.

Here are some comments from previous years: "Big thanks to everyone involved in the event. It was my first time for this run and really enjoyed it. Even the cooling showers came just at the right times."

"I enjoyed it, was my 2nd time. The cakes at the end were really good. The Marshals were brilliant and very supportive. Thanks to everyone for making this event happen."

"Great day I loved it. Very well organised, great route, I loved all the jelly babies and lovely cakes and tea at the end, I love the medal didn't feel like a 10 mile run very enjoyable thank you everyone. My first one and will definitely do it again"

"Thank you so much to all involved. Such a lovely run, so well put together, the love from the other runners and the support from the wonderful Marshals was like a hug from an angel when I saw them. Look forward to next year....it was my first 10 miler so will be exciting to see how much I have progressed in 2018"

This is a huge event and takes a lot of organisation. Maybe running isn't your thing ... we would really like some cakes baked so that we can give a slice of cake to all of the finishers. We also need lots of marshals to make sure the runners are ok and going in the right direction. Please see me at the gate if you are able to help, or let our front office know, or tell Mrs Tilling.

## School Dinner Payments

If your child is having any dinners during the week it is very important that they are paid for in advance on Monday mornings please. Dinners must be paid using your online **scopay** account. You will be able to top up your balance as and when you need to. If you have not yet registered for an online **scopay** account please ask the office for a code; this will enable you to register and pay for dinners, trips, uniforms and to book your parent consultation evening later in the term.

## Food Packaging for Year Four

Please could Year 4 bring in some clean food packaging ready for their PPA session on Tuesday.

**Whole school attendance 97.8%.**

Remember that good attendance will help your child to succeed at school.

**This week RAS, 1CE, 1KS, 2BG & 3BM all achieved 100% attendance! Well done.**

Best wishes,

**Samantha Sillito**

**Headteacher**
