Many Visitors to Queensgate Next Week

Dear Parents and Carers,

Meet the Teacher

It has been good to welcome you on site to meet your child's teacher this week. We have one left to do. If you have a child in Reception, either with Mrs Barnett or Miss Jenkins, we would like to invite you to Meet the Teacher on Wednesday 15th September at 9:15 am. Please drop your child as normal and then come back at 9:15 am. Please come through the main entrance.

Visitors in School Next Week

On **Monday**, we have our first full Governing Board meeting, although Governors were also in school this week supporting school development planning too. Please see the advert on page 2.

On **Tuesday**, we have Jenny Burn, who is the new School Improvement Manager for the Isle of Wight visiting Queensgate with Councillor Andre, who is in charge of Education on the Isle of Wight, to talk about various projects and have a tour around our school.

Also on **Tuesday** an organisation, called Naturezones, are visiting us to give us further ideas and support on ways to further develop our site. As you can see, the grass has taken really well at the front of the school and the orange fences will be removed shortly so that staff and children can access all areas.

On **Thursday 16th** Jane Wilson, Debbie Allen and Chris Cheale will be joining our team to work with us as part of our writing project to ensure as many pupils as possible achieve Age Related Expectations in their writing.

Inclusion Assistant Role

Are you interested in joining the Queensgate team? Please refer to the advert on Page 7 for more details.

Year 6 Sailing

The week after next Year 6 have been offered a free sailing session by UKSA. A separate letter has come out this week.

Open Morning

Please spread the news - we have an open morning for new parents on October 14th - see the advert on page 8.

Governors

School governors are people who want to make a positive contribution to children's education.

How can you join Queensgate Governing Body?

Queensgate Foundation Primary School in East Cowes needs you on our Governing Board! Being a school governor is about overseeing how a school is run, making vital decisions about its future, and supporting our families in East Cowes and the surrounding area.

It's about giving something back and making sure our young people access the best opportunities, when it comes to education.

We meet about six times a year, plus some sessions in school. We get to join our teaching staff on site, supporting students' learning.

Accountant, builder, or cardiologist? It's as simple as ABC. Your skills can enhance our team and you don't need a background in education.

We have four vacancies to fill (two co-opted positions and two partnership role). We all have different skill sets and we know you have something to offer that will enhance our team. There are plenty of opportunities for training, plus, we will be here to support your journey.

For a friendly chat and more info email Co Chair Lucy Curran on: lcurran@queensgateprimary.co.uk

To apply, visit <https://www.queensgateprimary.co.uk/our-school/governor-vacancies> complete the application form and email it to the Clerk to Governors Angela Selle at:

admin@queensgateprimary.co.uk .

Alternatively, if you know someone in the community who can contribute to the Governing Board please speak to them and nominate them.

Please apply by **Friday 17th September**.

Secondary School Application Date

We have been informed by County Hall that the letter given to all Year 6 students on the information of how to apply for a secondary school place for September 2022, stated that the admissions round opens on Friday 11 September 2020, it actually opens on Friday 10 September 2021.

They apologise for this error.

Walk the Wight

Remember it is Walk the Wight on Sunday raising money for the Mounbatten Hospice. Good luck if you are taking part.

Benji Blog

Benji has stayed with either Mrs Sillito's office or with Miss Turner whilst his new timetable is confirmed. He has settled back into school life well but is keen to get his timetable up and running so he can work with the children!

After School Clubs

Thank you for enrolling with Clubs online it has been a success for us although we appreciate there may be some teething problems. Next time we set Clubs to go live, we will give you two days prior notice along with the time scheduled for it to go live.

Please do not book the same club for your child next half term, we need to be fair and ensure all pupils have an opportunity to attend different clubs. We reserve the right to remove a child from the list if you re-book the same club.

Please only book one club per child per half term. Clubs (unless specified) finish promptly at 4pm.

Love reading? Then try this....

Jude in 4AH has been reading Dog Man – Lord of the Fleas by Dav Pilkey over the summer holidays. He borrowed the book from our school library.

Jude says this book is super good and it made him laugh a lot. Especially when a police officer turns into a dog and has to save the day. There are lots of books in the Dog Man series and Jude is looking forward to reading more. Visit the school library to see which ones we've got.

We'd love to know what you are reading at home. If you have any reading recommendations, please let us know so we can share it here.

Out & About

On Tuesday morning the **1CE Out and About** group went to St Helens beach. Our little Master Chefs had a wonderful time exploring our new sand kitchens, mixing up some tasty treats. The children also had fun exploring the rock pools, paddling in the sea and creating their own mini paddling pools.

The **Year 3 Out and About** team practised their map reading and compass skills as they navigated their way around Firestone Copse on Tuesday afternoon. The children worked well as a team to hunt for orienteering markers around the forest and were all eager to find as many as they could.

This half term Year 4 will be learning about farming and the farming industry on the Island. The **4AH Out and About** children had an amazing tour of Nettlecombe Farm in Whitwell on Wednesday morning. They all loved hand feeding the sheep, goats, cows, donkeys and chickens but especially adored sheep cuddles with Oreo the sheep!

Over the next couple of months the children in Year 2 will be learning about habitats as well as the changing seasons. On Wednesday afternoon the **2GC** 'Out and Abouters' visited Quarr Abbey. We talked about different habitats as we explored the woodland and how the trees will change as Autumn approaches. The children enjoyed seeing the piglets, going inside the Abbey and picking blackberries in the nearby lanes.
