## The Queensgate Community in School and at Home

Dear Parents and Carers,

### In School Learning

We currently have about 90 children in school each day. This is children from Reception, Year 1 and Year 6 and children of Key Workers from other Year groups. The measures we have put in place are working well. We have managed wet and dry breaks successfully and the feedback I have had suggests the children are glad to be back and have some routine in their lives.

Thank you so much for your support regarding staggered drop off and pick up times and for Social Distancing. Please do try to stick to the times advertised, here they are again:

Year 6	8.40	3.00
Year 1	8.55	2.45
Reception	9.10	2.30
Key workers	9.00	3.00

The photos towards the back of the newsletter have been retitled 'Learning Heroes' and now captures both home and school learning. They're all lovely photos so please keep sending them in and we'll keep taking them at school, so together we can still feel like one community.

### At Home Learning

Well done to all the children working from home. Please keep going with your home learning packs and other suggested resources and if you need help or support please do not hesitate to contact us.

Please note with any Zoom meeting it is necessary to mute the children so that one can be clearly heard at a time. Just to let you know we record all Zoom meetings then delete after 24 hours. This is to protect all participants and can clarify any misconceptions that occur.

Thank you for supporting your children with their learning.

Whether your child is in school or working from home we are here for you and are happy to give you support regarding your child's learning experiences.

### Sports Award

Even though we've been in lockdown since March Queensgate has still managed to win an award! This time it's for continued participation in the school games programmes for the autumn and spring terms. Well done to everyone who participated in an event during that time.

Don't forget on the website under the Children's tab you will find a PE link. Here you will see a range of activities and ideas that you and your child can do whilst at home—its so much more than just Joe Wicks workouts!

### School Uniform Ordering 2020

Due to the ongoing Coronavirus pandemic our shop will not be open as normal. We ask that parents please order school uniform online at [www.bigwight.com](http://www.bigwight.com)

Those that aren't able to do this, please contact us to discuss your needs. We will be offering a limited number of appointments for those that need them.

Thank you for your understanding.

### New Starters

We are looking forward to welcoming our new starters (hopefully in September) and are already aware how different things are currently and that we are unable to offer our normal introductions. Please can you direct new parents, if you know any, to our website <https://www.queensgateprimary.co.uk/new-to-queensgate> where they can find some important information, including a video from Miss Jenkins and Miss Saunders. Thank you.

# Learning Heroes

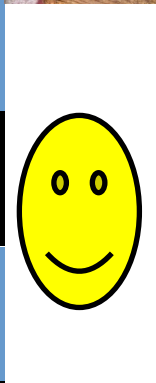

Beach

A day on the beach  
Where the sea is blue,  
Waves come crashing against  
the rocks -

There are empty crab shells,  
Some still with their claws,  
Washed up on the sandy shores

I spy something shiny  
A pretty piece of glass  
All smooth and colourful  
Just like a Mermaid's tear

Working together for a successful future
