## Happy Holidays

Dear Parents and Carers,

### Good-bye and Good Luck Year 6

It was brilliant to have our Year 6 parents join us for two assemblies this week. Our Year 6 children wrote their assembly themselves and both were very enjoyable to watch.

We have also had a **Clapping Corridor** today where the whole school came out together and clapped our Year 6 children as they received their hoodies and yearbooks.

Our Year 6 have been on an incredible journey. I remember them well in Reception! They have matured beautifully over the years and I know they are all ready for secondary school. Good-bye and good luck Year 6. It has been a pleasure having you at Queensgate. Please come back and visit when you can.

### The PTFA Logo Competition

The PTFA (Parents, Teachers and Friends Association) are a dedicated group of parents and teaching staff who work together to raise money to enhance the learning experience and environment of the children in tandem with the school.

We fundraise by having many events during the school year including Christmas and Summer Fayres, Easter cake sales, mufti days, discos, film nights, Year 6 Enterprise project and our ever growing Queensgate Fun Run.

The members have decided that it's time for a new identity and would like a separate Logo rather than using exactly the same logo as the school. Therefore, **all children** are invited to have a go at designing a brand new Logo for the PTFA over the summer holiday. Entries will need to be returned to school by Friday 3rd September, where the PTFA committee will have the tricky job of picking the winner.

The winners logo will then be displayed on the PTFA's page on the school website, on the PTFA's Facebook page and used in all fundraising and advertisements for the future. So get your designing hats on and let your creative juices flow!

## Report Comments and Questionnaires

Thank you so much for taking the time to fill in the parent questionnaire on line. It's still not too late to complete it, you can do this by visiting this link - <https://surveyhero.com/c/e6416253>

Here are some of the comments received so far:

### What are the strengths of the school?

"The learning curriculum",

"Supportive school for students and parents",

"Out and about and other subjects like cookery",

"My Son is developing a lot more in confidence and can now stand in front of class to discuss his family homework. The school helps him build his confidence and writing skills",

"Queensgate is a lovely school and my daughter loves going to school everyday which makes a parents life easier for sure",

"Staff and leadership, Communication through newsletters has been great too",

"Lovely out and about trips, lots of PE and different experiences provided",

"We as a family feel the variety of learning alongside the extra curriculum activities like out & about, the patch, cookery, swimming lessons and music, is a very strong benefit to the school",

"With the introduction of Benji we really feel he is a positive addition to the team, he is extremely well behaved on his morning routine greeting parents & children in to the school",

"Communication, organisation and the ability to be flexible to change (mainly due to Covid)"

"Community, creative, modern education, dedicated staff",

Thank you also for completing the parents comments from your child's report. We have thoroughly enjoyed reading them all.

**Love reading?**

Then try this....

George in 5RA has been reading the books in the Goosebumps series. His favourite two are Slappy New Year and Weirdo Halloween. He loves these books because they're a bit scary and the characters have to solve mysteries.

George would recommend these books to Year 5 and 6, especially people that like to be spooked. We have lots of books in this series in our school library so get reading if you like a scare!

We'd love to know what you are reading at home. If you have any reading recommendations, please let us know so we can share it here. Don't forget to visit your local library!

# Governors

School governors are people who want to make a positive contribution to children's education.

## How can you join Queensgate Governing Body?

Queensgate Foundation Primary School in East Cowes needs you on our governing board! Being a school governor is about overseeing how a school is run, making vital decisions about its future, and supporting our families in East Cowes and the surrounding area.

It's about giving something back and making sure our young people access the best opportunities, when it comes to education.

We meet about six times a year, plus some sessions in school. We get to join our teaching staff on site, supporting students' learning.

Accountant, builder, or cardiologist? It's as simple as ABC. Your skills can enhance our team and you don't need a background in education.

We have three vacancies to fill (two co-opted positions and one partnership role). We all have different skill sets and we know you have something to offer that will enhance our team. There are plenty of opportunities for training, plus, we will be here to support your journey.

For a friendly chat and more info email Co Chair Lucy Curran on: [lcurran@queensgateprimary.co.uk](mailto:lcurran@queensgateprimary.co.uk)

To apply, visit <https://www.queensgateprimary.co.uk/our-school/governor-vacancies> complete the application form and email it to the Clerk to Governors Angela Selle at:

[admin@queensgateprimary.co.uk](mailto:admin@queensgateprimary.co.uk) .

Alternatively, if you know someone in the community who can contribute to the Governing Board please speak to them and nominate them.

We can't wait to see you in September!

## Benji Blog

Benji would like to wish you all a safe and fun filled summer holiday. He is off to visit friends and family in Scotland, but will also be going to the beach and honing his paddle boarding skills on the Island!

Benji would also like to say a huge thank you for all of his gifts. Have a great summer everyone!

## Out & About

The **Year 5** children had an amazing final swimming lesson in the sun (with the roof open) on Tuesday. They enjoyed some fun time on the floats to celebrate the end of term too. They have all worked immensely hard each week in their lessons and we hope they will continue to develop their swimming skills over the Summer. The Waterside pool has 'casual swim' and 'fun sessions' available to book each day during the school holidays. See timetable on next page. Please note, they do need to be pre-booked.

On Tuesday afternoon the **3BM** Out and About team walked down to the seafront for a chill out and play in the play park. It was a very hot day so they enjoyed relaxing in the shade and practising their climbing skills!

To complete **Year 4s** topic on the Victorians, the final 4MC Out and About group visited Ventnor Botanical Gardens on Wednesday morning. The children learnt about the chest hospital that was sited there in Victorian times as they explored the gardens. Afterwards they walked down to Steephill Cove, which was also a popular beach and fishing bay in the Victorian era.

On Wednesday afternoon the second half of **6TS** went to Ryde beach to enjoy their final Out and About trip. Some children enjoyed paddling in the sea, playing volleyball whilst others chose to keep cool in the shade.

A huge thank you to all parents and carers for supporting us this year by providing suitable clothing, equipment and footwear enabling your child/ children to enjoy their Out and About adventures.

## Character Challenge! Create your own character

Over the summer holidays I will be doing an art residency in the Department (formally known as the department store Packs) in Ryde in association with Ryde Arts. I will be creating artwork in one of the big windows over four weeks.

As you may know I love art, especially illustration. I will be working on some character designs in hopes to create a picture book in the future. You can see some of my characters on this page.

Why not create your own character over the summer holidays. I would love to see them! Bring your creations to school in September and we can make a display in the Art Area.

You can visit me at the Department, Cross Street, Ryde on Saturday mornings when the building will be open to the public or see my progress and me at work during the rest of the week. I will be there from Monday 26th July - Friday 20th August.

Have a wonderful, creative summer

Miss Stone

There are rewards shown in the box above. Schools may ask children to show their medals or certificates after the holiday. **It starts nationally on July 19<sup>th</sup> 2021.**

**YOU WILL NEED TO BRING YOUR CHILD'S LIBRARY CARD OR THE COMPLETED FORM BELOW**

Although our library is currently closed for the exciting development of a new library and community hub, we have been running an order, collect and return system from the Town Hall. This will continue but we have managed to move most of our children's stock onto mobile units in the hall, so children will be able to choose books to borrow and join in the summer reading challenge. We are hoping to include story times and book talk opportunities during the Tuesday session, depending on numbers and current advice. Please see our ~~Summer~~ opening times below.

Monday 10.00am to 1.00pm

Tuesday 4.00pm to 6.00pm

Thursday 9.30am to 12.30pm

On arrival, we are asking adults to check their temperature and use the hand sanitiser in the foyer. Either use the QR scan code or leave track and trace contact details at the front desk. Returns and collection of requested books will continue here. There will be a separate staffed table for children to visit and for staff to record any returned and borrowed books and provide summer reading challenge materials. Please exit via the side door. Masks are optional.

**The team at East Cowes Community Library wishes you and your family a happy summer break!**

PS. We are **NOT** charging for overdue books until ~~Autumn~~. Please return any outstanding books you may still have.

### I have COVID-19 symptoms

Most people with COVID-19 have at least one of these symptoms:

- A high temperature. This means you feel hot to touch on your chest or back.

- A loss or change to your sense of smell or taste.

If you have symptoms, you need to self-isolate and take a PCR test. You can only leave home to have a test. Book a test online [gov.uk/get-coronavirus-test](https://www.gov.uk/get-coronavirus-test) or phone **119**

### My child or I are required to self-isolate

If you or your child are told to self-isolate by NHS Test and Trace or by the school or you have COVID-19 symptoms, you must not leave your home or garden. If you test positive or NHS Test and Trace ask you to self-isolate, you must do so by law. Self-isolation rules are changing on 16 August 2021.
