Dear Parents and Carers, 1CE and 1KS

We hope you are all keeping safe and well. Hopefully, you received the learning activities last week and have been busy learning from home. Your English learning journey 'Giants' should be well underway by now. We hope you are enjoying the story of Jack and the Beanstalk. For maths this week, you will continue with measurement and will be learning about weight and volume.

Before you start the activities, you will find it useful to make your own set of balance scales. There are various ways to make these. We found this tutorial on you tube:

We have also provided some number (place value) activities to revise and consolidate previous learning and some additional time activity sheets to help you learn half past the hour.

There are some problem solving and reasoning activities for you to further challenge your brains!

Your new spellings have also been added.

Here is a link to some child-friendly books about Corona Virus:

These activities have been selected to be practical and fun. If you have any questions, please contact us via email.
