Cultural: Understanding our cultural heritage and respecting cultural diversity. Key Skills: <ul style="list-style-type: none">Working with othersImproving own learning and performance.CommunicationICTProblem solvingApplication of number
		Hook: Sharing our Summer homework projects and visiting Tapnell Farm.			
		Rationale: We will use non-fiction books and research to find out about the farm as a stimulus to write information and story sentences.			
		Outcome: We will know about food production, harvest and animals. We will have learnt a traditional story which we will be able to share with our friends. We will have produced a class information book.			
Theme title: On The Farm	Focus Area: Science Pupils will learn about animals. <i>*Identify, classify and name a range of animals.</i> <i>*Look at the growth, basic needs and care of animals.</i> <i>*Describe and compare animals.</i> Pupils will learn about weather. <i>*Observe seasonal changes.</i> <i>*Describe weather and seasons.</i>		Supporting Focus Area: Art and Design Pupils will develop their art skills and techniques through this theme. <i>*Use the work of artists, experiences and ideas as the inspiration for artwork.</i> <i>*Share ideas using drawing, painting and sculpture.</i> <i>*Explore a variety of techniques.</i>		
			Supporting Focus Area: Geography Pupils will learn how to use geographical words to describe environments. <i>*Use observation skills to describe our school site and other local environments.</i> <i>*To begin to learn and use basic geographical vocabulary to describe physical and human features of our landscape. (e.g. beach, coast, forest, hill, sea, river, soil, valley, vegetation, season, weather, town, village, factory, farm, house, church, port and shop)</i>		
	Linked Teaching Programmes (LTPs): English - farm stories, information and vocabulary. Maths - farm sorting, counting and calculating.		Discrete Teaching Programmes (DTPs): Maths, reading, phonics, spelling and handwriting. Music , PE, RE, PSHE - <i>New Beginnings</i>		
	Family Homework Task: Make a <u>mini</u> scarecrow (no larger than 20cm). This can be a 3D model, puppet, collage or picture using any resources you have at home. DUE IN SCHOOL ON Monday 7th October. You might also borrow books from the library to share stories and information around farms and farming.
