

# Map Symbols

It would be too confusing to have pictures or photographs on a map so we have symbols instead. The symbols show us where places or things are.

Maps have lots of different symbols  
on.

Do you know what this symbol means?

It means that there is a public telephone.

Do you know what this symbol means?

It means that there is a church.

Do you know what this symbol means?

It means that there is a car park.
