

Maths - Summer Term 2 Week 5

Hi Year 5,

Maths is slightly different for the next few weeks- we are focusing on filling some gaps due to the lock down. If you need any support please do not hesitate to email us.

Different outcomes are covered over a 1 or 2 day period.

Most of these questions have come from <https://garyhall.org.uk/maths-resource>. so if you would like to challenge yourself this is a good site to go onto and also Nrich for extensions.

Don't forget Times Tables Rockstars.

Monday 29-06-20

LO: Add whole numbers with more than 4 digits, including using formal written methods

Complete the attachment-Monday Maths

Tuesday 30-06-20

LO: Subtract whole numbers with more than 4 digits, including using formal written methods
