Foundation Stage Weekly Newsletter

Dear Parents and Carers,

We hope you have a super weekend.

We are so proud of the way the children have settled into school. They have been very busy, so please have a restful weekend. Remember that next week the

children will be in school from 8:40am-3:00pm.

Thank you to everyone who has handed back the reading books that were given out with the home visit packs. If you have not handed it back - please do ASAP as we do not have enough books for each child yet!

While the weather is hot and sunny please apply an all day sun cream to your child before school.

Wanted!!

Please let us know if you have an unwanted water butt as we need one for our mud kitchen!

We really appreciate all the effort that you have gone to label all of your child's school items. Be sure to check them regularly as these can fade through washing and over time.

Packed Lunches

When filling your child's packed lunch box please include...

- A sandwich
- A piece of fruit
- A packet of crisps or a biscuit or a yogurt
- A drink

Please do not over fill the lunch boxes as the children only have 30 minutes to eat it...and they do like to chat as they eat!!

If your child would like to have juice with their packed lunch they will need a separate named water bottle for the classroom.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support,

The Foundation Stage Team
