

PSHE S2 Week 6

Changes-

LO: To recognise that feelings can change over time and range in intensity

Part 1

When we experience changes; these could be small or large changes, we often react in different ways and sometimes we do not always understand our reactions. (This is everybody not only children)

We found this great clip which helped us to explain our reactions

Have a look and see what I you think. After watching this clip we would like you to either draw or make your own 'Brain House' and then have a go at creating their own thinking and feeling characters to put inside.

Watch it and you will see what we mean. The link is below.....
