

Reception

Toast

The children have loved being able to make their own toast and learning how to spread on the butter and their chosen topping... the most popular is strawberry jam!

Cookery

In Reception we have been using the cookery room each week, the children have really enjoyed this. We have made a variety of yummy food like shortbread, cupcakes and pancakes.

Traditional Tales

Our most recent topic has been based on traditional tales such as The Three Little Pigs, Goldilocks and the Three Bears and Jack and the Beanstalk.

Spring and Easter

In Reception we have been looking at signs of new life at Spring and why we celebrate Easter. The children planted their own cress seeds and made Easter cards.

The Patch

At The Patch we have been busy planting bulbs to help the bees and butterflies, climbing trees and jumping in muddy puddles!
