Assistant Head: Clare Grant B.Ed (Hons)

Assistant Head: Peter Tilling B.Sc (Hons) NPQSL

Friday 28th February 2020

Dear Parents and Carers,

Welcome back - to our new school building. The children have been excited to find their way around the whole school, especially upstairs - and to discover where in our new classroom all the familiar equipment is stored. We hope they have been able to explain it all to you but if you were unable to join our guided tour today, please contact the office to arrange a suitable time to come and see for yourselves.

Overleaf you will find a theme overview for this second half of the Spring Term. Our learning theme is 'Our Local Area' and our SEAL theme is 'It's Good to be Me'. The family homework project is to **design a map of the Isle of Wight and show on it human and physical features which are of interest to you and your family**. The hand in date for this is **Friday 27th March**, please.

Spellings will continue to come out weekly, please continue to practise and discuss these with your child. Practising spellings for a short amount of time daily will help children retain them in their long term memory. Maths challenge homework will continue to be issued on Fridays, to be due in on Wednesday. Please continue to support your children at home by reading regularly, daily if possible, and by learning the 2x, 5x and 10x tables and their related division facts. Our PE day is still Friday but please ensure PE kits are available in school all week. Our PPA enrichment activities time will be on Wednesday afternoons. Activities will include Art & DT, ICT, Music, Cookery and Library Skills.

Thank you for your continued support.

Yours sincerely,

Mrs Arnell, Mrs Billington, Mrs Gibbins, and the Year 2 team.

Working together for a successful future
