

Topic

Summer week 2

Research question

What was it like to live in an Ancient Greek family?

Using these websites below find out about the Ancient Greeks, draw pictures and annotate and present your work in your own creative way!

Science

Separating Materials

Watch

<https://www.schoolsofkingedwardvi.co.uk/ks2-science-year-5-3b-materials-separating-mixtures/>

This link will lead you to a great explanation on Separating Materials- and describes six methods really well. We would like you to show the information in any way you like. Could be a booklet, power point, poster.... You decide. If you would like to do your own investigations that would be good. You know how to write up experiments so you could do this.. **PLEASE ASK A GROWN UP TO HELP YOU WITH THIS ESPECIALLY IF YOU HAVE A GO AT EVAPORATION AS AN ADULT WILL NEED TO DO THE HOT WATER!**

Have fun! 😊
