Enjoy the story of Formidable Sid. Can you guess what sort of pet Sid is before the end of the story?

JUST FOR FUN!

Can you or your adult describe a pet without saying what the animal is? Can you or your adult guess the correct animal? Take turns.

(You do not need a pet to do this)

Whether you have a pet or not it is good to know what a pet needs to be happy and healthy just incase you get one in the future.

Have a little discussion with your adult, can you think of three things a pet needs?

Go through the PowerPoint to see if you can answer the questions.
