

Waffle's Water Adventure

Monday: Water Experiment!

1. Ask an adult to fill up a container or sink.
2. Make 2 labels saying sink and float.
3. Find 5 things that float and 5 things that sink.
4. Place them next to the correct label.

Send a photo of
your work to your
teacher.

Waffle's Water Adventure

Tuesday: Waffle's Wonderful Writing

Draw Waffle
in a diving
suit.

Use
adjectives to
describe his
suit.

He has a **shiny red**
and **black** suit.

Remember your
capital letters, full
stops and finger
spaces!

He has floppy flippers that
look like pancakes.

Waffle is wearing huge,
aqua goggles.

Send a photo of your writing to your teacher!

Waffle's Water Adventure

Wednesday: Capacity Chaos!

You will need:

- 3 containers or bottles of different sizes.
- A smaller cup or pot
- (Can use a scoop or spoon)
- Paper to record on.
- Water

Make an Estimate...

How many pots will it take to fill the containers up to half way?

How many pots will it take to fill the whole container?

Carry out your experiment.

Were you close?

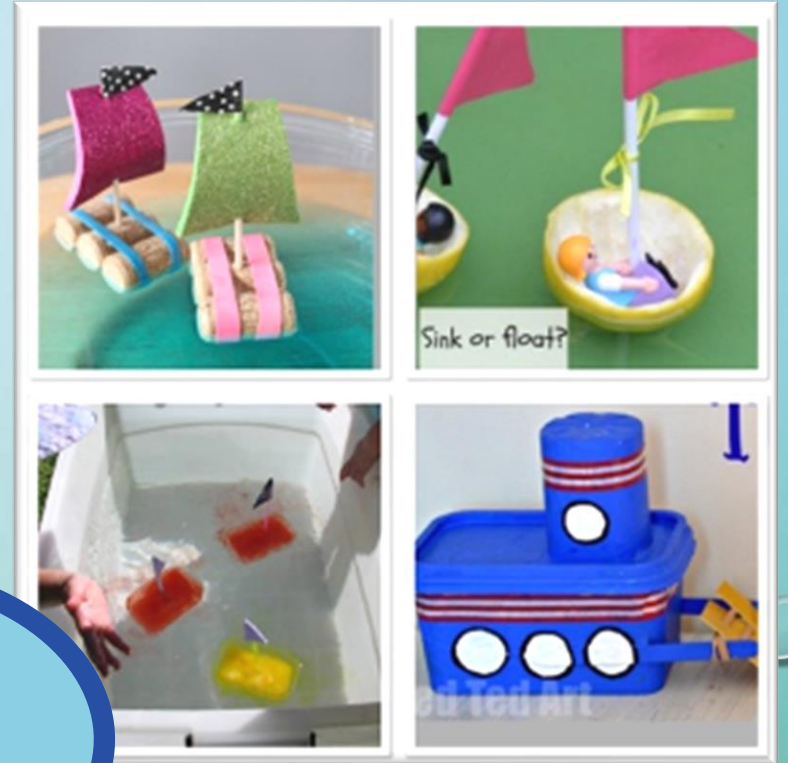

I think it will be
3 scoops.

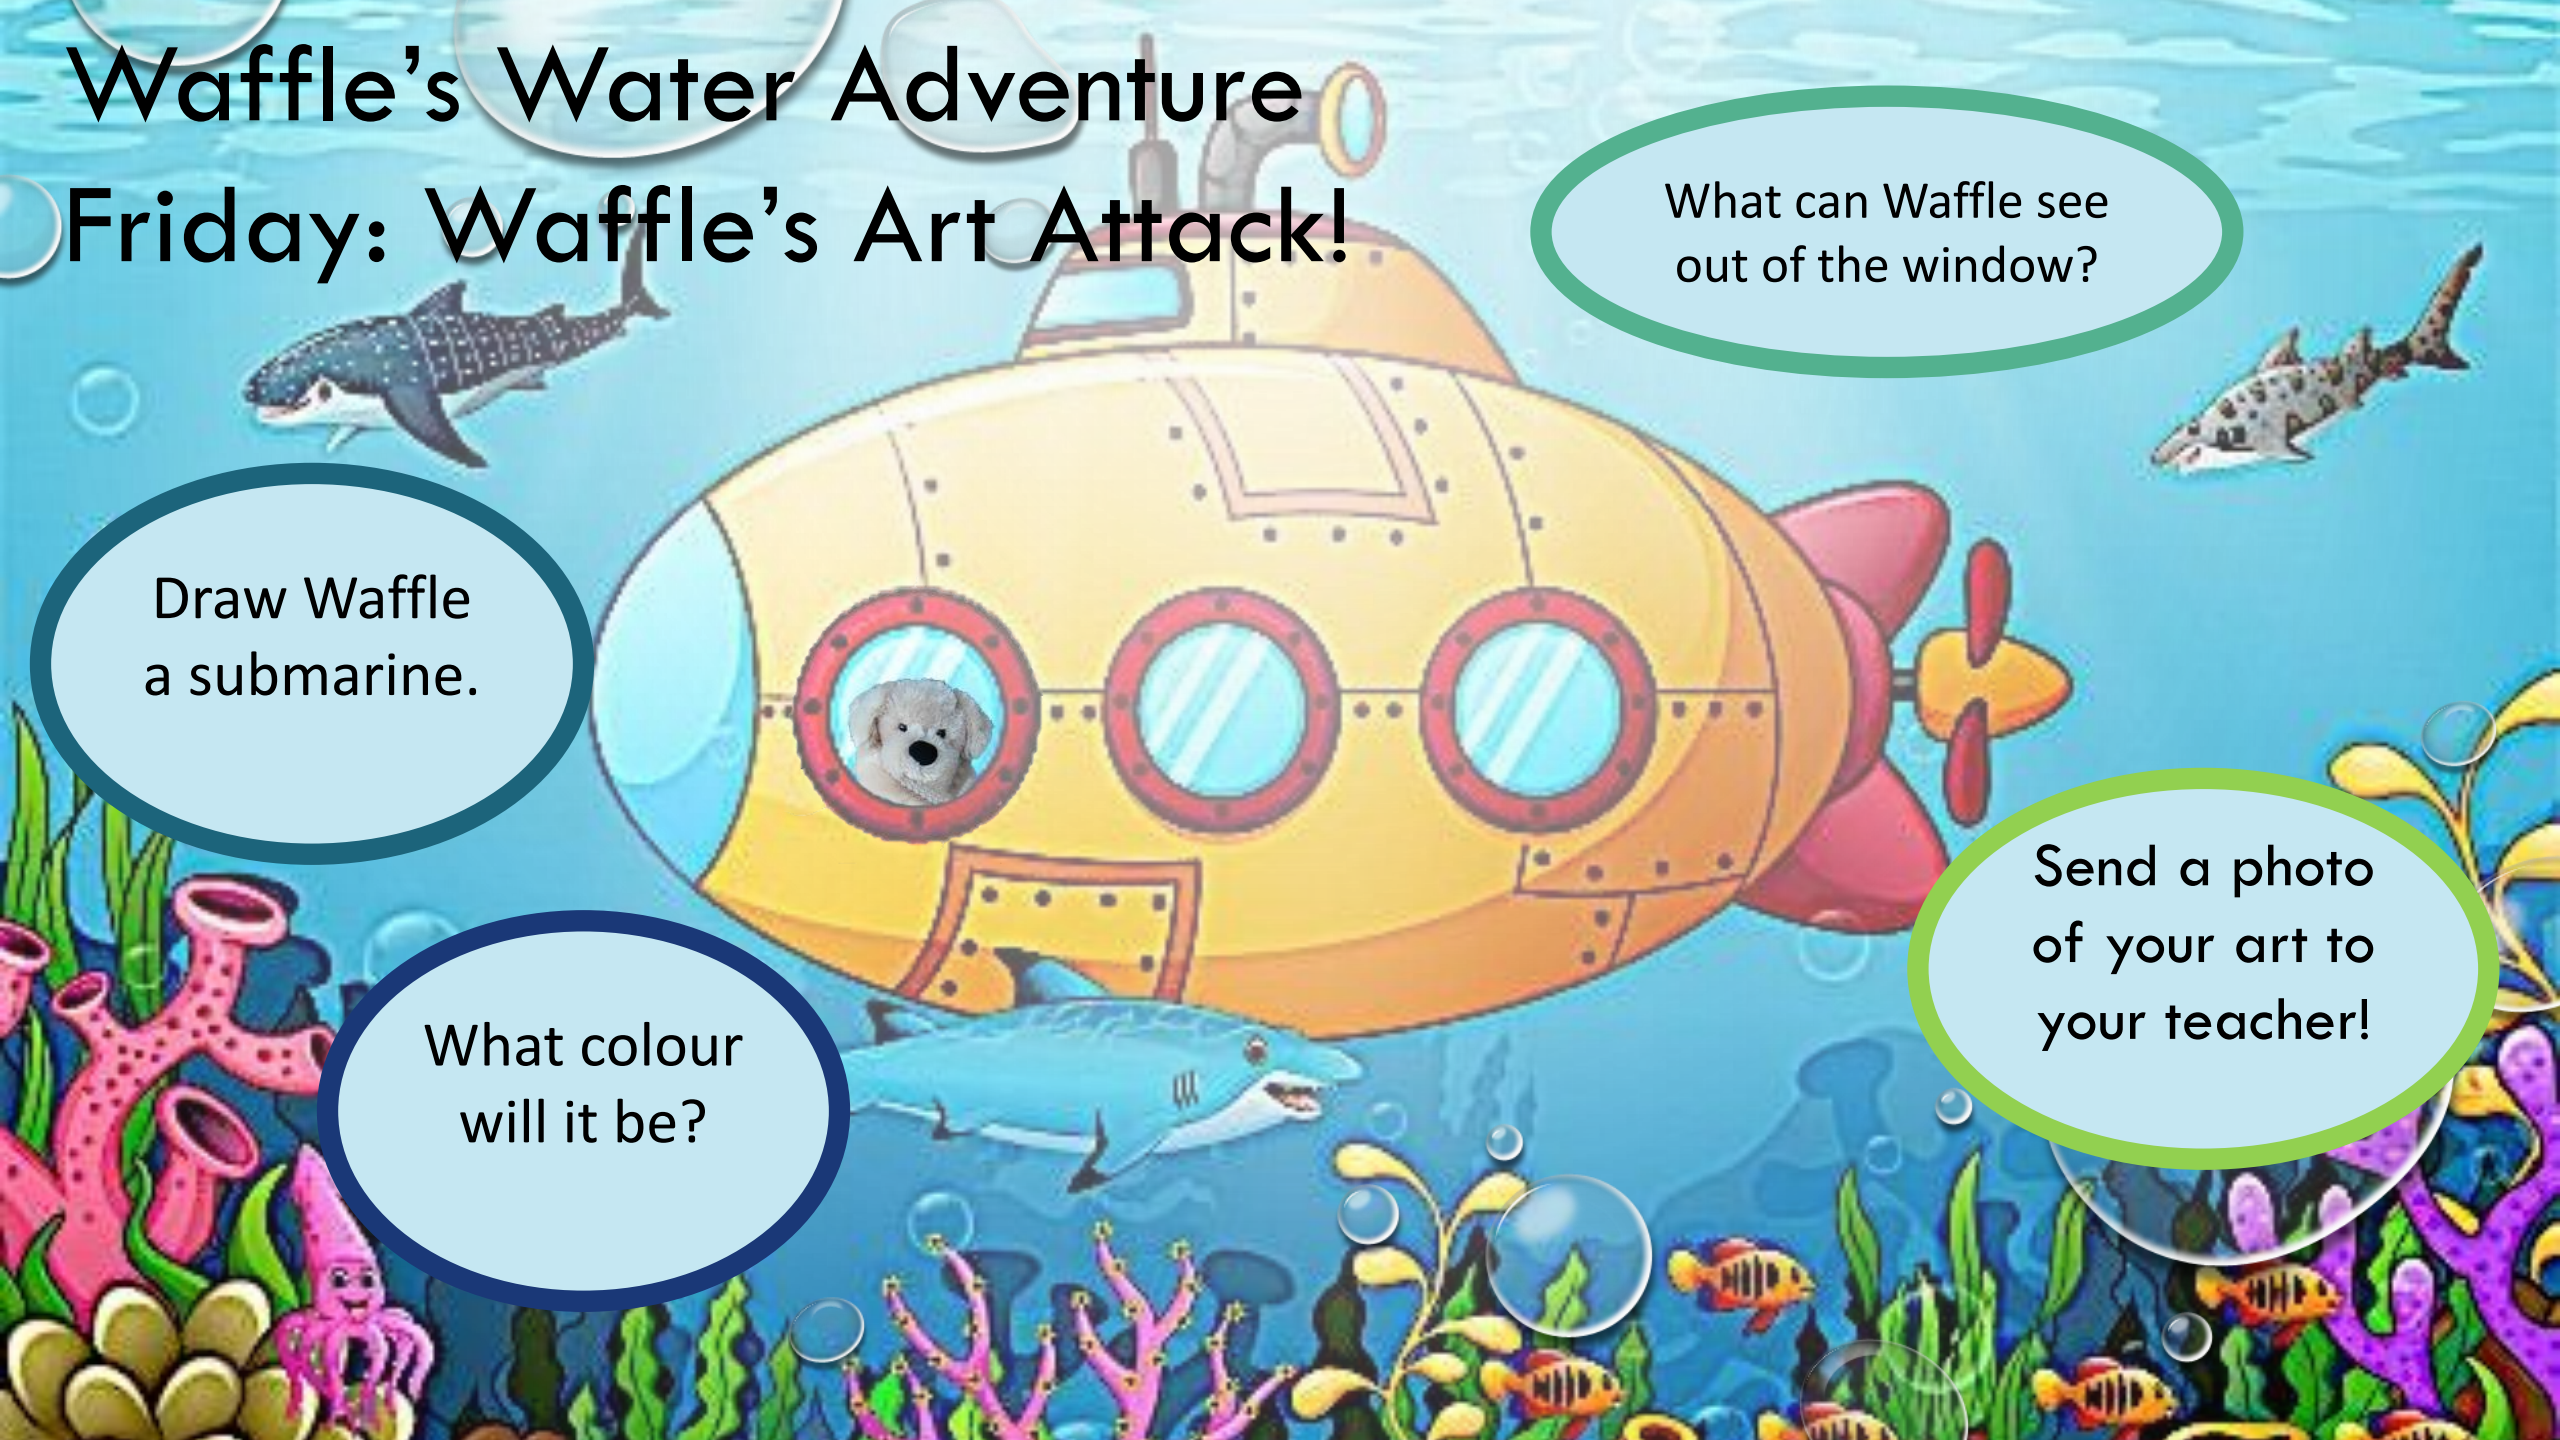

Can you
make a
boat?

Will it
float?

Send your teacher a picture!

Waffle's Water Adventure

Friday: Waffle's Art Attack!

Draw Waffle
a submarine.

What colour
will it be?

What can Waffle see
out of the window?
