Dear Parents and Carers,

We would like to welcome back those children who have returned to school. We would also like to send our best wishes to those who are still keeping safe at home. Obviously, everyone's safety is the most important thing to consider with the return to school. In class, pupils have been separated into 2 classrooms, they are sat at individual tables, directed to wash their hands frequently throughout the day and are reminded to stay 2m apart from each other. All activities have been planned to reduce the sharing of equipment and any shared equipment is washed after use.

Our PE day is timetabled for Monday (1KS) and Thursday (1CE), Your child will **not** require a PE kit for these sessions. We would like to ask that your child have a water bottle at school every day and a sun hat for outdoor activities. Please apply your child's sun cream before school as we are unable to do this.

Spellings will be given weekly for learning and practising at home each Monday. They can also be accessed on the school website for those children who are learning from home.

We would encourage you to support your child to learn their times tables. Our Year 1 target is the two, five and ten times tables, initially counting in multiples of those numbers but then reciting times tables, answering tables questions and using them to solve problems. We hope that you are making the most of 'Bug Club'. Please let teachers know if you require more books to be allocated.
