

Maths - Summer Term 2 Week 1

Hi Year 5,

Maths is slightly different for the next few weeks- we are focusing on filling some gaps due to the lock down. If you need any support please do not hesitate to email us.

Different outcomes are covered over a 1 or 2 day period.

Monday 01-06-20

Compare and order, add and subtract, fractions whose denominators are all multiples of the same number.

We recommend you watch this clip before having a go at the activities...

<https://vimeo.com/186411313>

Complete the attached questions – Mon-Maths

Tuesday 02-06-20

Identify, name and write equivalent fractions of a given fraction, represented visually, including tenths and hundredths

Watch the interactive video below and then complete the attachment- Tues-Maths

<https://kids.classroomsecrets.co.uk/resource/equivalent-fractions-video-tutorial/>

Wednesday and Thursday 03-06-20/ 04-06-20

Recognise mixed numbers and improper fractions and convert from one form to the other. Write mathematical statements >1 as a mixed number (e.g. $2/5 + 4/5 = 6/5 = 1 \frac{1}{5}$)

Wednesday- watch both clips and complete the interactive questions.
