

Class/Year: Year 5	<b>Start Date:</b> October 2022		<b>Core Values:</b> <ul style="list-style-type: none"><li>• Learning to co-operate well with others and to resolve conflict effectively.</li><li>• Investigating and discussing moral issues and consequences of actions.</li><li>• Learning about the world around us and reflecting on our experiences.</li><li>• Understanding our cultural heritage and respecting our cultural diversity.</li></ul>		
	<b>Finish Date:</b> December 2022				
Title: Ancient Greece		<b>Hook:</b> All pupils will explore a range of ancient <i>Greek</i> artefacts, asking questions and finding out the facts behind the curiosities and exhibits.			
		<b>Rationale:</b> Throughout the theme, pupils will learn about different cultures, old and new and will search for similarities and differences. They will explore the complexities of the ancient Greek civilization and the legacy it has left behind and they will investigate the geographical and social aspects of modern-day life. Key themes will include home-life, laws and education, religion, hobbies and geography.			
	<b>Focus Area: History - Ancient Greece</b> Pupils will use artefacts, books, computers and film clips to complete a study of <i>Greek</i> life and the achievements and influence on the western world. They will investigate the notions of civilisation, democracy, architecture, religion and empire. Pupils will be encouraged to ask questions about the lifestyle of people in ancient <i>Greece</i> and compare it to their own experiences as well as identifying features of our modern lives which are directly influenced by the civilisation of ancient <i>Greece</i> .		<b>Supporting Focus Area: Science</b> <b>The Life Cycle of Animals and Plants</b> Pupils will learn how to explain the differences in the life cycles of mammals, amphibians, insects and birds. They will identify and explain the life processes of plants and compare to those of humans.		
	<b>Discrete Teaching Programmes</b> <b>Maths</b> - Daily Maths lessons. <b>PE</b> - Outdoor PE, football, netball, fitness <b>PSHE</b> - Relationships		<b>Art</b> Children will create a range of artwork, inspired by the story naval architect Blanche Thornycroft, which will be displayed at the Classic Boat Museum.		
	<b>Homework Task:</b> To make a map of a <i>Greek</i> island of your choice -include as many geographical features and historic landmarks and places of interest as you can. Think creatively about how your work can be presented. Due in Monday 5th <u>December</u> , ready to give an oral presentation in the last 2 weeks of term.		<b>Linked Teaching Programmes</b> <b>English</b> - Brightstorm, Beasts of Olympus and other <i>Greek</i> Myths, tourist brochures and debates. <b>Art</b> - Ancient <i>Greek</i> artifacts and clay plaques.		

Working together for a successful future
