

27th April 2020

Summer week 2

Good morning 5RA and 5PG

Welcome to week 2 ☺

We hope that you are all keeping safe and well.

We have again attached a timetable with suggested ideas of how you may like to work this week, however, this is up to you and your family. You may choose to do a morning of maths and a morning of English. It is up to you!

As well as the attachments we would like you to continue to read a range of texts daily and to continue with the 'Telling the Time Challenge' if you can tell the time, you can start giving yourself questions ie: in 20 minutes what will the time be? Or how long is it until midday? Etc.

Have you looked at the Jane Considine sentence stacking YouTube sessions, they are great fun, also to test your knowledge on time try <https://www.topmarks.co.uk/Search.aspx?q=telling+time> lots of interactive games and they are good fun!

Keep your work, send us photos as we would love to see what you are doing.

Any questions, please do not hesitate to email us.

Have fun

Mrs Adams and Mr Giles
