The Big Move!

Dear Parents and Carers,

Our Last Week in the Current Building

Next week is our final week in our current building. School finishes for half term at 3 pm on Thursday 13th February. The school is closed on Friday due to moving. School re-opens on Wednesday 26th February at 8.40 am. Please note there will not be a newsletter next week as we will be packing! This is a double issue!

We have continued to have donations from local businesses. This week we have received a donation from Wight Fibre. A huge thank you to them.

In addition Samels in East Cowes are doing us a great deal for our packing and pizza evening. Huge thanks to them.

Access (See Map on P8)

Access to the school is changing. After the half term holiday there will be a newly created pedestrian entrance to the left of our carpark entrance. This is a temporary entrance as the builders will take over our current site ready for demolition of the old building. You will walk up the path to the new building. At the new building Reception, Year 5 and Year 6 will turn left. Reception will access their classrooms from doors at the back of their classrooms very similar to now. Years 5 and 6 will enter the building through the double doors at the end.

Years 1, 2, 3 and 4 will continue straight on when they get to the building. Years 3 and 4 will turn left and enter the building through the double doors. They will go up stairs. There will be staff there to show them where to go. **Parents will not be permitted in.** Years 1 and 2 will walk around the back of the building and enter their classrooms through the back doors in a very similar way to now.

All parents need to leave their children at the doors. There will be no access onto the site until 8.35 am apart from breakfast club of course (who will enter through the main door on their own please). We will no longer have a carpark and there will be no disabled parking spaces until the end of the project. The whole project should be finished in November 2020.

Pick Up

This will be a bit of trial and error. Reception, Year 1 and Year 2 will be picked up from their classroom doors in a similar way to now. Year 3 and 4, will be brought down to you at the side doors. Please stand well back. We will put some signs out to show you where to wait. Years 5 and 6 will be released from upstairs and will leave the building independently.

Positive Quote

Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for.

What's for dinner next week?

(Remember all Reception, Year 1 and Year 2 children are entitled to Free School dinners.)

QUEENSGATE SPORT ROUNDUP

The weather has abated and has allowed some fixtures to be played.

The Under Nine Girls football team continued their impressive season by completing their league programme with a 2-1 win at Greenmount and then an amazing 3-3 draw at St Thomas after trailing 1-0. The team now await their semi-final opponents.

12 Year 4 children took part in the Cowes Cluster Cross Country competition. The teams were broken down into teams of four – one boys team, one girls and one mixed. All the teams ran well and overall, the team came 4th – the boys gained the best position of 3rd.

This week our **Year 5** Swimming Superstars are... Ruby and Olivia G - great swimming with their faces in the water, Max - being super smiley and confident underwater, Reilly I - brilliant diving, Kelsie - amazing butterfly, Olivia H and Ellie W - fantastic swimming on their backs using floats. Our **Year 3** Swimming Superstars this week are... On Tuesday morning the **Reception** Out and About children had a super time at their Wildbeach session at St Helens. They ventured down to the rock pools and spotted lots of limpets, cockles and anemones. The children then enjoyed exploring the variety of activities and resources provided by the Wildlife Trust. Some of the children hunted for shells and stones with holes in to create their own jewellery whilst others were busy in the sand kitchen, building sand castles, ordering numbers and making their own rock pools.

In **Year 1**, the children have been sharing the book *Dogger* by Shirley Hughes, a story about a little boy and his lost toy dog. During Out and About on Wednesday morning the Year 1 children helped me (Mrs Johnson) to find my own children's lost teddy. They read clues and used maps to follow a trail to find him. The children learnt how to read compasses to work out which direction they needed to go. They were all very excited to discover the teddy hiding near the park and had a wonderful time playing together before it was hot chocolate time! Mrs Sillito also enjoyed Out & About!

Lost Property

Emilia R in Y5 has lost her black and white football boots, they are clearly named. If found please return to the office. Thank you.

Unauthorised Absences

Once again we have a lot of unauthorised absences because parents are not following up absences in writing. Please can you make sure that you follow the policy. If your child is absent from school - please contact the school by phone and state why your child is off. Then, when they return to school please send in a note or email repeating the reasons for absence. Many thanks.

Queensgate supports school in Gambia

As we prepare to move into our new school we have sorted through lots of books and equipment to aid a school in Gambia. The school is the second one being built and equipped by Pencil Cottage Tea Rooms, Shanklin. On Thursday Lisa, from Pencil Cottage collected lots books, sports equipment, sports kit and various items which will either go directly to the children in Gambia, or will be sold by the shop in Pencil Cottage. All funds raised will help to support the children in Gambia. We should feel proud that we have been able to support the education of children less fortunate than our own. In the throw away world we live in it's also a positive sign that we have been able to reduce the amount going to landfill. Staff also donated new items for the teachers – thank you. Lisa is returning on Monday morning to collect the final items. If you visit Pencil Cottage Tea rooms in Shanklin, you can see photos of the school which has been built.
