

Year 4 - Summer Term - 2nd Half

Animals and Pets

Last half term we learned how to talk and write about the people in our family.

Some of us have pets in our families, so next we are learning how to talk about animals.

Some of these animals might be family members – pets – and others....probably not!

Have a look at the Espresso video clip, Meet The Pets:

https://central.espresso.co.uk/espresso/modules/t2_enfamille/video_pets/video_meetpets.html

Watch it again and this time, try to say the names of the animals as they come up.

Now look through the Powerpoint 'French Animals' (it is a separate file on the website) to learn even more animal names in French.

Finally, I have saved the best till last! Have a look at this video clip called Superdog:

What is Partex like? What does he do?

Here are some words and phrases to help you. You can also put words into Google to find out what they are in English. And you will be surprised how much you do understand just from watching the video!

Jean a – Jean (John) has

il est – he is

qui s'appelle – who is called

il fait - he does

il porte - he wears

un petit manteau gonflable – a little life-jacket

il n'a pas peur – he isn't afraid
